

California Coastal Commission

JOB ANNOUNCEMENT

CENTRAL COAST DISTRICT

SANTA CRUZ

COASTAL PROGRAM ANALYST III

FULL TIME, LIMITED TERM (WITH THE POSSIBILITY OF EXTENSION OR PERMANENT) POSITION

The California Coastal Commission is offering an exciting opportunity to participate in planning and regulating development on California's dramatic and resource-rich Central Coast. The Central Coast office has responsibility for carrying out requirements of the California Coastal Act in San Luis Obispo, Monterey and Santa Cruz Counties. This is a position with broad responsibilities for analyst supervision and personnel oversight, general administration of Local Coastal Program planning and permit regulatory work in the Central Coast District including project management, coordination with other agency units (e.g. legal, enforcement, technical services), participating in agency-wide senior staff meetings and coordination, external communications outside the District. Oversight, review, writing and editing of staff recommendations are required. In addition, attendance at certain Coastal Commission meetings and making staff presentations will be required. The person in this position will supervise District staff, reporting directly to the Central Coast District Manager.

The Central Coast District staff based in Santa Cruz is responsible for carrying out a permit program for new development proposed in areas such as tidelands, wetlands, and certain other areas where the Coastal Commission maintains coastal permitting authority. The District staff is responsible for monitoring and assisting the coastal permitting programs of the coastal jurisdictions (cities and counties) included in the Central Coast District. Responsibilities of the Central Coast District staff also include the review of local government coastal development permits that are appealed to the Coastal Commission. In addition to the regulatory program, the District staff is responsible for the review of Local Coastal Program submittals from the Central Coast jurisdictions. **This position will have focused responsibility in working with local governments on Local Coastal Programs (LCPs).**

The duties of the Coastal Program Supervisor will include the following:

- Supervise the Local Coastal Program and coastal permit-related work of the Central Coast District staff, ensuring that applicable deadlines are met.
- Personally analyze the more complex coastal permit applications and Local Coastal Program submittals and prepare the most complex staff reports for action by the Coastal Commission.
- Monitor the coastal regulatory and planning programs of cities and counties in the District and participate through means such as commenting on proposed developments under review at the local level and assisting local government planners in interpretation of Coastal Act and Local Coastal Program policies.
- Provide information to the Enforcement unit regarding potential violations of the Coastal Act and/or coastal permits and work with the Enforcement unit on the resolution of such violations.
- Provide information to permit applicants and members of the public regarding the Coastal Commission's regulatory and planning programs.
- Take a pro-active approach to identifying and solving problems of Local Coastal Program interpretation and implementation.
- Gather data and prepare reports on various matters related to the Coastal Commission's mission.
- Provide backup coverage of Central Coast District Manager responsibilities, including participation at Commission hearings, as required.

Desired skills and abilities:

- Knowledge of supervisory techniques and the ability to effectively plan, motivate, and organize the work of others.
- Knowledge of land use planning and regulatory techniques.
- Familiarity with the functions and relationships of federal, state, regional, county, and city governments and special districts.
- Knowledge of the means of implementing Local Coastal Programs, such as zoning and other legal and regulatory processes.
- Ability to analyze information, creatively explore alternative approaches, and develop defensible policy positions.
- Good communication skills and the ability to write accurate, complete, and concise staff reports and correspondence.
- Knowledge of the impacts of development on typical Central Coast resources, such as wetlands.
- Knowledge of a broad range of resource protection laws and policies.
- Advanced degree in environmental, regional planning or law or related field.
- Solid experience working with Local Coastal Programs and Coastal Development Permits.
- Time management and computer skill including the ability to use data base management systems.
